9.2. Whenever the presence of parents / guardians is needed they should be present at the college at the request of the authorities.

10. ANTI-RAGGING COMMITTEE:

RAGGING :

RAGGING IS AN OFFENCE AND THE ACCUSED IS LIABLE TO BE ARRESTED AND IMPRISONED IN ADDITION TO BEING DISMISSED FROM THE COLLEGE.

"Ragging is certainly not a necessary stepping stone to friendship. Friendship can be made and maintained even without ragging. It is for the youth themselves to find some sane means of expressing friendship with their juniors. Respect forced out by ragging cannot be genuine respect. It is one way respect shown under duress, a semblance of respect tinged with fear, fear of more ill treatment. Putting a junior to shame certainly cannot make him respect his senior. It will only kindle fear and a silent despise for him at heart.

The best solution for this problem is that youth should change their attitude, the barbaric idea of ragging anyone or subjecting him/her to any torture or shame in its name.

Anti Ragging Committee in SNS College of Technology is established as per the Guidelines of

1. UGC Regulations on curbing the Menace of Ragging in Higher Educational Institutions, 2009.

2. All India Council for Technical Education notified regulation for prevention and prohibition of ragging in AICTE approved technical institutions vide No.37-3/Legal/AICTE/2009 dated 01.02.2009.

3. Tamil Nadu prohibition of Ragging Act, 1997. Act No. 7 of 1997.

Definition

In this Act, unless the context otherwise requires, 'Ragging' means a display of noisy, disorderly conduct doing any act which causes or is likely to cause physical or psychological harm or raise apprehension or fear or shame or embarrassment to a student in any educational institution and includes.

a) Teasing, abusing, of playing practical jokes on, causing hurt to such students.

b) Asking the students to do any acts perform something which such student will not, in the ordinary course, be willing to do.

What constitutes Ragging :

Ragging constitutes one or more of any of the following acts:

a. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.

b. Indulging in rowdy or undisciplined activities by any student or students which causes or is likely cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.

c. Asking any students to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.

d. Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher.

e. Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.

f. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students.

g. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;

h. Any act or abuse by spoken words, e-mails, posts, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student;

i. Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

Constitution of Anti Ragging Committee

11. PREVENTION OF SEXUAL HARASSMENT CELL (POSH)

SNS College of Technology is committed to create a safe environment for girl students and women employees and an environment free of violence, harassment, exploitation, intimidation and stress. The prevention of Sexual Harassment Cell is set up in pursuance of the UGC guidelines and directives of the Hon'ble Supreme Court in the judgment of Vishaka & Others v/s. State of Rajasthan & Others reported in 1997 (6) SCC 241, and as per the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Internal Complaints Committee is instrument in addressing the issues of sexual harassment and recommending their redressal in a time-bound manner. The committee consists of one Senior Women Professor of the institution as Co-ordinator, one women member from NGO and other women faculty members.

Objectives:

- To fulfill the directives of the Hon'ble Supreme Court of India, and concerns expressed by the University Grants Commission (UGC) about ensuring a safe environment for women students and employees in educational institutions.

- To promote an environment free of sexual harassment and other acts of gender-based discrimination at the institution that ensures gender equality and equal opportunities.

- To prevent sexual harassment and to promote the general well-being of female students, teaching and non-teaching women staff of the institution.

12. GRIEVANCE REDRESSAL COMMITTEE : (GRE)

In SNS College of technology, the grievance Redressal Committee is formed as per Clause 1 of section 23 of the AICTE Act, 1987 (52. of 1987) AICTE. The Committee has been formed to provide easy and readily accessible machinery for prompt disposal of the day to day genuine grievance of the students and to make the students to pursue their education in a congenial atmosphere. The committee headed by the Principal looks into the grievances of the students based on the complaints received from the students. The person concerned with any grievance shall file a complaint in writing with all possible facts and documentation and submit it to the Principal's office. It redresses the grievance at individual, class level and grievances of common interest. Complaints dropped in the 'Suggestion Box' by students and other oral and written complaints are also redressed. The grievances submitted by the students are addressed in a systematical manner to maintain necessary confidentiality in the handling process. The committee will investigate into the matter and shall try to resolve it as quickly as possible.

Objectives :
1. To introduce fair, impartial and consistent mechanism for Redressal of various issues faced by the students, faculty members, non-teaching staff and parents.
2. To develop a responsive and accountable attitude among all stakeholders, thereby maintaining a harmonious atmosphere in the institution.
3. To ensure that grievances are resolved promptly, neutrally and in complete confidentiality.

13. SC/ST CELL

The SC/ST cell adheres to the grievances of SC/ST students in the institution towards any kind of discrimination or any issues in receiving government scholarships. It provides inputs in the areas where students confront difficulties in both academic and social life. The cell is formed as per regulations of SC/ST (Prevention of Atrocities) Act, 1989, No.33 of 1989, dated 11.09.1989. The committee conducts meeting with the SC/ST students to attend and resolve any difficulties in personal, social and academic contexts.

15. CLASS COMMITTEE MEETING

Class committee comprises of chairperson (who does not handle any course for that class), subject handling faculty members and a group of selected students', that is, boy and girl representative each from hostel and day-scholars, slow and advanced learners. Class committee meetings are convened at least twice in a semester to address issues related to academic / non-academic matters.

16. TUTOR WARD SYSTEM

Recognizing the need to establish a close interaction with the students 'Tutor Ward System' have been implemented, where exchange of ideas and opinions are processed. The motive of Tutor Ward Session is to build a bond of academic relationship between the faculty and their wards. This faculty member is designated as the tutor for every individual student and will be on hand for consultation and advice on all matters i.e., academic and social. Each ward tutor is entrusted with a group of 20 to 24 students. Students are expected to meet the assigned faculty member and discuss the progress and problems in studies and extracurricular activities. Moreover, the tutor caters to the academic, psychological and emotional needs of the ward and maintains their progress reports and also acts as a liaison between the students and the parents. The rules and regulations, welfare measures, various scholarships available and the ways to approach them are explained to the wards. In nutshell, the tutors act as mentors who are always there to guide their wards towards their academic and career goals.

17. BEST OUTGOING STUDENT AWARD

An award for the **"Best Outgoing Student"** for the Final Year and **All-Round Performer(ARP)** Award for III & II year students is instituted for B.E / B.Tech., and the students are selected based on their overall performance in academics, Co-curricular and Extracurricular activities.

FEATURES OF AUTONOMOUS SYSTEM

The Autonomous status was granted by University Grants Commission, New Delhi and the courses were approved by Anna University, Chennai with effect from the Academic Year 2013 – 14 onwards. By the award of this system, institute has gained a great deal of freedom in framing its own curriculum to suit the needs of the students and the requirements of the industry.

The Salient features of the Autonomous System are:

1. The institution has introduced Credit System to suit the needs of the students and industry.

2. An innovative and viable curriculum with well defined course objectives was designed by the Board of Studies comprising experts with unique experience in industry and academics.

3. In addition to the Basic Science, Engineering and Professional Courses, there is open elective provision in the curriculum to impart inter-disciplinary knowledge to the students.

CHOICE BASED CREDIT SYSTEM (CBCS)

The CBCS offers flexibility to learners which include large number of electives, flexible pace for earning credits and audit courses.

The Objectives of CBCS

1. To offer the right blends of Humanities and Social Sciences (HS), Basic Science (BS), Engineering Science (ES), Professional Core (PC), Professional Elective (PE), Employability Enhancement Courses (EEC), and Open Elective (OE) to facilitate the learners to acquire the needful outcomes.

2. To facilitate students to earn extra credits.

3. To elevate the level of knowledge, skills and attitude/behavior on par with the students across the globe.

4. To offer programmes in an academic environment with purpose, the needful foundations, breadth (exposure for optimal learning) and professionalism**.**

INSTITUTIONAL DEVELOPMENT AND MONITORING COMMITTEE (IDMC)

The Institutional Development Monitoring Committee monitors the methods of Instruction, evaluation, research or improvements in academic standards. It makes periodic reviews on the department activities to take appropriate action with a view to maintain and

improve the standards of instruction. Moreover, the committee promotes research activities within the institute and acquires reports time to time for further improvement.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) was established in the college at the intense of the National Assessment and Accreditation Council (NAAC) as a post accreditation quality sustenance measure. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution. The IQAC makes a significant and meaningful contribution in the post-accreditation phase of the institution. During this period, the IQAC channelizes all efforts and measures of the institution towards promoting its academic excellence.

Objectives of the IQAC

◎ To ensure continuous improvement in the entire operations of the institution

◎ To ensure stakeholders connected with higher education, namely parents, teachers, staff would be employers, funding agencies and society in general of its own quality and probity.

Benefits of the IQAC

IQAC will contribute towards quality culture as envisaged by NAAC:

a) By promoting measures for the quality culture and institutionalization of best practices.

b) By providing a sound basis for decision making to improve institutional functioning.

c) By acting as a dynamic system for quality changes and internal communication.

IIPC – INDUSTRY INSTITUTE PARTNERSHIP CELL

The purpose of professional and higher education is to prepare the students for the industrial needs. Thus any institute of repute cannot ignore close and continuous interactions with the industries. The Industry Institute Partnership Cell (IIPC) of SNSCT is oriented towards achieving the following objectives:

1. Being an autonomous institute the college is keen on periodical updating of the curriculum of various departments in close collaboration with industry experts. The cell helps to identify the experts in various fields for valuable inputs to be offered to the faculty involved in the curriculum development.

2. Upgradation of knowledge of faculty by identifying suitable industries for faculty interaction.

3. To make the students acquire the skills necessary for observing the concepts taught in the classrooms and by solving problems faced in the industry.

4. To take up consultancy work in the nature of diagnosis and solving them using the expertise of the faculty.

5. To provide assistance to the industry in the area of testing the quality of various products and materials as per the industry standard.

6. To encourage the students to visit a wide range of industries and technical exhibitions to keep them abreast of the conditions prevailing in their field of study. Thus the students undergoing the co-curricular training programmes, get multi-faceted exposure to their engineering discipline.

7. To provide internship for pre-final year students to meet the real-life challenges and learn the state of global technologies to add to their core technology foundation.

8. MoUs are signed with industries for achieving the above objectives. Interaction between Institute and the industry is now widely recognized as an essential requirement to train and develop the right kind of man power necessary to sustain and promote industrial and economical growth.

9. The college has signed Memorandum of Understanding (MoU) with nearly 150 industries in all discipline to name a few

   M/s HCL Technologies

   M/s IBM India Pvt. Ltd., Bangalore

   M/s Sharp Industries, Coimbatore

   M/s Zenith Computers Ltd., Coimbatore

   M/s Adorn Technologies, Coimbatore

   M/s Novantus Software India Private Ltd., Coimbatore

   M/s Vi Micro Systems, Chennai

   M/s UMS Technologies Training Centre, Coimbatore

   M/s BSNL, Coimbatore

   M/s. Cadd Technologies, Coimbatore

As a part of continuous improvements in training effectiveness, additional training related infrastructures like exclusive study centers for Mechanical, Electrical & Electronic Appliances maintenance and reconditioning cells hands on experience cells in each division will be established. Executive Skill Development Programme (ESDP) and Supervisory Skill Development Programme (SSDP) will be conducted exclusively to students prior to the placement, which enhances their industry – readiness and multiplies their opportunities.

RESEARCH AND DEVELOPMENT CELL

The Research and Development Cell functioning at SNSCT is headed by the team consisting of the Director, Principal, and Dean EIE & BME and fully assisted by the experienced / Senior Faculty members of SNS College of Technology. Our institute encourages all faculty members to undertake sponsored research programmes / projects supported by different funding agencies such as DST, CSIR, DSIR, AICTE, UGC and the Ministry of Environmental Sciences to mention a few. The R&D cell of SNS College of Technology, intends to have collaborative research programmes in association with the Premier Research Laboratories and Institutes in India. Each department is encouraged to involve in different research and consultancy activities for the industries throughout the academic year. Research activities by various departments of the Institute can be monitored by the R&D Cell periodically.

The R&D cell would like to have healthy interactions between the institute and the industries, and this can be ensured through the following activities:

- Departments of Mechanical Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication

Engineering are recognized as Research Department / R&D centers by the Anna University.

- Arranging, conducting Seminars and Workshops by experts from International Universities.

- All the Laboratories established by the 10 U.G Departments are having very good research facilities and could be used to conduct research and consultancy work.

- Separate P.G Research Laboratories in all the 10 P.G Departments are also available to carryout R&D work.

- The Research Scholars are encouraged to take up research, leading to M.S. (by research) and Ph.D. degrees.

- Proposals are sent to several funding agencies to get funds for the R&D projects.

- R&D projects funded by AICTE, AR&DB, UGC, DST, DRDO, ISRO, CSIR, Ministry of Power, etc., are encouraged and executed.

- Reputed industries are invited to have MoUs with SNSCT and the existing MoUs are effectively used for getting in-plant training, industrial visit, internship, consultancy and research projects for both the faculty members and students.

SEED MONEY

Research and Innovative clubs have been initiated to utilize the seed money scheme set up by the management to the students and the faculty members for developing innovative projects. Each department is given with a maximum amount of Rs. 1,00,000/- for faculty members and another Rs. 1,00,000/- for the students to initiate their innovative research works. The seed money can be used to purchase equipment, consumables, software's etc. for their research. Faculty members and students are utilizing the seed money given by the management to develop innovative research projects. So far, Rs.6,79,500 Lakh for 35 projects have been sanctioned.

ENTREPRENEURSHIP DEVELOPMENT CELL (EDC)

Entrepreneurs play a vital role in the economic development of any region or country.

An Entrepreneur is a person who organizes, manages and takes the risk of running an enterprise. The mission of the EDC is to "develop institutional mechanism to create Entrepreneurial culture in academic institutions to faster the growth of innovation and Entrepreneurship amongst the faculty and students".

There is worldwide shortage of jobs (both Government & Private sector) leading to unemployment problems and lack of proper utilization of human resources. The EDC strives to identify talented youth into Entrepreneurial efforts. The cell plans to organize various programmes regarding Entrepreneurship development. It is proven that with the right type of training and adequate motivation Entrepreneurs can be developed. The members of the cell include students of all streams who are interested to become Entrepreneurs in future. The cell considers that its major role is to develop employment providers and not employment seekers.

SKILL AND CAREER DEVELOPMENT

Skill And Career Development train the students through focused and well-structured programmes that supplement the students' academic curriculum, besides cultivating close relationship with industry and the corporate world. This is also a part of the curriculum from

the second year onwards just like the other subjects. The syllabus is based on Aptitude, both quantitative and verbal. Company Specific Training, Mock Interview and Group Discussions are also conducted. In the final year the students are given additional training in summer and company specific training before they go in for placements. Recognizing the need to establish a close interaction with industries and corporate and fulfilling the needs of placement of the students, the college has a separate Training and Placement Cell.

List of training programmes:

- ❖ Regular placement training programme for students of all the year.
- ❖ Need based training like company oriented placement training.
- ❖ Value added course for the students

Students' higher education

Interested students are guided for their higher educations. Information regarding the education abroad is communicated to them and guided for the preparation of the exams like GRE, GATE, and GMAT etc.

Some Organizations where our students have made their way are:

- ❖ CTS
- ❖ Doubtnut
- ❖ FACE
- ❖ Flextronics (Core Company)
- ❖ Focus Academy {FACE}
- ❖ Pin Click
- ❖ GREEN DELIGHT INNOVOTIONS
- ❖ HAVI
- ❖ HCL
- ❖ Hexaware
- ❖ Jaro
- ❖ Kaar Technologies
- ❖ KIML (Core company)
- ❖ DeltaX
- ❖ Pentagon Space
- ❖ XL Dynamics
- ❖ SixPhrase
- ❖ SURETI Insurance Marketing Pvt Ltd
- ❖ Sutherland Global Services
- ❖ TCS

- ❖ Texila Management Services
- ❖ Triemp
- ❖ Ugam Solution
- ❖ Verticurl
- ❖ BYJUS
- ❖ Advantage Club

STUDENTS' AMENITIES

BOOK STORE

The College Book Store caters to the needs of the students by providing essential educational resources to help our students succeed in the classroom. The store offers all of the required stationery items and books. The store remains open from 9.00 a.m. to 5.00 p.m.

CANTEEN / FOOD COURT

The College has a spacious and clean canteen inside the campus that caters to the taste of all students at reasonable rates. The canteen remains open on all working days. It is well maintained with efficient service and monitored by committee headed by a staff member.

TRANSPORT

A full fledged Transport department functions in the college with buses to provide transport facility to students and staff from various places. It has a fleet of buses to gratify the needs ensuring a hassle-free and secure transportation.

INTERNET FACILITIES

Internet facilities in the well-equipped internet lab, providing high speed of connectivity the student can surf the net for unlimited information. Our college has dedicated Internet Leased line of 100 Mbps broadband connection, connected throughout the Campus. Along with Wi-Fi access is available everywhere on our main site.

COLLEGE NEWSLETTER

Publishing a regular newsletter is an essential aspect of any communication strategy. Exchange of facts, ideas and opinions are vital for enhancing the Institution's communication process. **SNS Tech** does it effectively through its newsletter. The half yearly newsletters are launched in the month of January and July every year. Research and Development activities are updated based on experiential learning to blend engineering science and engineering practice. The regular newsletter packed with news and information about our courses, successes and achievements are shared with the alumni, students, faculty, parents, industries and also to all other Engineering Colleges in TamilNadu.

CO-CURRICULAR ACTIVITIES

INSTITUTIONAL MEMBERSHIP:

The college is a member of the following Associations

- ♦ Indian Society for Technical Education (ISTE)
- ♦ Society of Automotive Engineers (SAE)
- ♦ Institute of Electrical and Electronics Engineers (IEEE)
- ♦ Computer Society of India (CSI)
- ♦ The Institute of Indian Foundry men (IIF)
- ♦ The Institution of Electronics & Tele Communication Engineers (IETE)
- ♦ The Institution of Engineers (India) (IEI)
- ♦ DELNET Scheme (Developing Library Network)

ISTE STUDENTS CHAPTER

The Indian Society for Technical Education (ISTE) is a national, professional, nonprofit organization making Society registered under the Societies Registration Act, 1860. Our college is holding institutional membership (Membership No.IM1178) of ISTE from 2004. The ISTE Students Chapter (Chapter No.: TN-159) has been established at our college and is functioning from 2004.

At present, around 600 students are ISTE student members and most of the faculty members of our college are life/annual members and ISTE day is celebrated at National, Section and Chapter level every year.

Guest lectures by eminent professionals from academic and industry, leadership and personality development programmes, seminars, essay writing competition are being arranged. Technical workshops, quiz programmes, presentation of technical papers, cultural programmes, special address by eminent professionals, industrialists, etc., are being conducted regularly.

SAE STUDENTS CHAPTER

Society of Automotive Engineers-SAEINDIA is a professional engineering society whose membership represents practically every engineering and scientific discipline.

Its members combine their specialized abilities to further advance the research development design, manufacture and utilization of vehicles which operate on land, water, air and space. Be a part of global organization whose benefits are geared specifically to the needs of the mobility engineering community. Our formal education and professional development will be enhanced through our SAEINDIA member benefits. SAE Students Chapter has been established in our college from 2012.

Our Collegiate Club has about 90 Student Members and 2 Faculty Members. Conference / Seminar / Workshop are being arranged through this SAEINDIA Students Chapter.

The students are also sent to participate in events such as Efficycle and BAJA. So that, the students can enriches their practical knowledge and technical skills like designing, fabrication, and vehicle testing and frame analysis.

INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS (IEEE) STUDENTS BRANCH

IEEE members are engineers, scientists, students and allied professionals whose technical interests are rooted in electrical, electronics, computer sciences and engineering and related disciplines. IEEE publishes technical literature, journals, transactions, magazines and conference proceedings in electrical, electronics and computer science engineering. IEEE is the world's largest technical society, allowing members to access industry's most essential technical information, networking opportunities, career development tools and many other exclusive benefits. IEEE members are receiving the IEEE magazine, online access to IEEE spectrum, online access to IEEE magazine, document collections etc. IEEE members will receive exclusive member subscription rates on the journals and discounts on the purchase of conference proceedings, standards and books. Above 50 students have enrolled as Student Membership in IEEE and 3 Faculty Members enrolled Staff Membership in IEEE. To facilitate the student activities, an IEEE student branch has been established with the approval of IEEE, NJ on 25-09-2008.

COMPUTER SOCIETY OF INDIA (CSI)

The Computer Society of India is a Non-profit professional organization where professionals meet to exchange views and information learn and share ideas. The Society also encourages and assists professionals to maintain the integrity and competence of the profession and fosters a sense of partnership amongst members.

The CSI chapter was established at our college on 1st April 2008 with the active participation from the students and faculty of the Departments of CSE, IT and MCA. The chapter was started with an Annual Institutional Membership No: 100922 and the membership has been now renewed for 7 years with the Institution membership No: 101044. At present, about 120 students have been enrolled as active members for CSI student chapter for this academic year with the annual membership. The chapter periodically conducts various events like technical seminars, guest lectures, conferences and workshops on the emerging technologies for enhancing the knowledge of students. Every year, 6th March is celebrated as CSI day with various events at our college.

THE INSTITUTE OF INDIAN FOUNDRY MEN (IIF)

There are more than 5000 foundry units in India, having an installed capacity of approximately 7.5 million tons per annum. The foundry industry is an important employment provider and provides direct employment and training. To encourage the students' participation in the Institute of Foundry Men, SNS College of Technology has enrolled as Institution member in IIF for the benefit of student in the academic year 2014 – 2015. One hundred and thirty one Mechanical Engineering students have enrolled in IIF as student members. Guest Lecture / In-plant Training / Seminars are being arranged through IIF.

THE INSTITUTION OF ELECTRONICS &

TELE COMMUNICATION ENGINEERS (IETE)

The Institution of Electronics & Telecommunication Engineers (IETE) is India's leading recognized professional society devoted to advancement in Electronics, Telecommunication & IT. The Government of India has recognized IETE as a Scientific and Industrial Research Organization (SIRO) and notified it as an educational institution of national eminence. Students Forum of IETE (ISF) was launched in SNS College of

Technology on 10/09/2008 by Prof. K.Gangadharan, Founder Honorary Secretary, Ex. Chairman IETE Coimbatore sub center, Chairman-IT, Amrita University, Coimbatore.

INSTITUTION OF ENGINEERS INDIA (IEI)

Institution of Engineers India is the national organization of engineers in India. As the world's largest multi-disciplinary engineering professional society, the institution is acclaimed to have pioneered non-formal education in engineering boasts more than one million members in its 15 engineering disciplines across 125 centers and chapters located both in India and around the world. The Institution of Engineers India was incorporated by Royal Charter in 1935. SNS College of Technology is Institutional Life Member (IM000340-0) in the Institution of Engineers India.

Important Benefits of IE(I) are:

➢ IEI has forged partnership with the globally renowned journal publishing house: SPRINGER. Institutional Members are entitled to enjoy free e-access to IEI Journals by logging in through www.ieindia.org

➢ Technical collaboration and sponsorship for arranging technical seminars / symposia / workshops etc.

➢ Institutional Members may avail the opportunity for R&D grant from IEI.

➢ Participation of Deputed Staff (both Engineering and Managerial) in Seminars / Symposia / Workshops at a concessional rate of 20% as offered to regular Corporate Members.

ALUMNI

The Alumni Association of the College helps in maintaining a good rapport with the passed out students from the year 2006. Registered Alumni association of SNS College of Technology functions from the year 2015 with its office inside the SNSCT Campus with ample facilities. Dr.M.Manjuladevi, HoD/Chemistry is the Coordinator and Dr. G.Dharanitharan, Asst.Professor/Mech act as President along with the team formed.

SNSCT Alumni association has the strong network formed by the various Dean's/HoD's and Alumni co-ordinators of the college. Alumni of SNSCT interestingly participate in programmes conducted by the college to benefit SNS INSTITUTIONS student's community. All members of the Alumni Association of SNSCT functions with objectives to encourage regulate and elevate the technical and general knowledge of its association member engaged in profession or about to engage in profession. Technical meetings is arranged by the alumni frequently to benefit the students of their branch of study.

EXTRA CURRICULAR ACTIVITIES

NATIONAL SERVICE SCHEME (NSS)

The following activities are regularly and successfully being conducted.

The NSS unit organizes:

1. NSS special camp for 7 days.
2. Dental, Eye Check up for the students and nearby village people.
3. Planting Saplings in College premises and village.
4. Petrol and Diesel saving awareness rally of republic.

5. Art festival with the theme of **'Importance of Planting Trees'**

NATIONAL CADET CORPS-2/4 TN (BN) NCC

The NCC Unit was sanctioned by NCC Head Quarters, Coimbatore Group, under 4 Tamil Nadu Battalion NCC. The management is pleased to spend Rs.3 lakh per year for running of this NCC unit. It was raised on 1st September 2010. It is an Infantry-Army Wing of Senior Division with 105 cadets including boys and girls. The Infantry Company of 3rd Line Army has a total 105 cadets and P.Leon Dharmadurai, Associate NCC officer is the company commander of this NCC unit.

The following activities are successfully being conducted by our unit (2/4 TN (BN) NCC).

1. Combined annual training camps
2. National Integration camps
3. Trekking camps
4. Blood donation camps
5. Voluntary service to the public
6. Republic day parade – Delhi
7. NCC national games

YOUTH RED CROSS (HEALTH, SERVICE, FRIENDHIP)

Youth Red Cross is an association which was started to serve the needy people with an ample number of student volunteers. Youth Red Cross was started on 20th March 2004 at our college. In our college, this unit is functioning with 100 volunteers who are really interested, enthusiastic and service-minded. They have initiated and organized several programmes.

The programme focuses on the following areas:

❖ Promote life and health through training and education on safety measures, primary care, healthcare and healthy living.

❖ Encourage community service through training and education.

❖ Disseminate the seven fundamental principles of Red Cross and Red Crescent movement through activities that encourage the Red Cross ideals.

❖ Promote international friendship and with that cultivate humanitarian spirit.

❖ Technical support in the development of youth programmes fund-raising, identification of material and human resources.

RED RIBBON CLUB

Red Ribbon Club is focused to create awareness among students about HIV, AIDS and related diseases. There are about 120 student volunteers in this club who were trained to create awareness among the people in the society about these diseases. The club organizes voluntary camps with the help of the student volunteers under the guidance of the RRC-Officer. Voluntary camps are conducted for the students in various disciplines and for the common people in the society in village by creating awareness about various issues.

PHYSICAL EDUCATION

Sports play a significant role in the life of students at SNSCT. The department of Physical Education covers an area of 2.5 acres located in the college premises. The department

is headed by a Physical Director and an Assistant Physical Director. The department has infrastructures for all the indoor and outdoor games.

There are sufficient facilities in the campus for both field events and indoor games for the students to practice and to conduct the Inter-Collegiate tournaments and Intramural Sports. The college is equipped with five indoor shuttle courts, one Football field, one Basket ball court with fiber glass boards and pressure release rings with lighting facility, one Handball court, two Volleyball courts, two Ball Badminton courts, three Tennikoit courts, one Kho-Kho court, two Cricket pitch, Kabhadi court, throw ball court for net practice and one well-maintained pitch for matches. Independent facilities are available for both boys and girls. A Gym (2000 square feet) is attached to the department in which a number of single and multi stationed machines and other weight training accessories are available to provide opportunity for the students to train themselves to keep their body athletic and also a separate gym for girls (1000 square feet) is available inside girls' hostel.

FINE ARTS ASSOCIATION

Fine Arts Association is another gem in the crown of SNS College of Technology. The Association not only motivates the students but also educates and entertains. Its prime aim is to explore the hidden talents of the students and offer opportunities to unearth the potential of the student community.

MUSIC CLUB-VIBES

Music plays a vital part in one's life and performance is the physical expression of Music. The SNS TECH MUSIC CLUB "VIBES" nurtures such talents, ranging from aesthetic pleasure, religious, ceremonial or entertainment. It was instigated under the umbrella of "Association for Fine Arts" in our campus from the academic year 2009 - 2010 onwards. Presently the club has 18 members. The students of the club are performing well in the inter college music competitions and bagged many prizes and laurels to the college besides their extra ordinary performance inside the campus.

DANCE CLUB

Dance is another art form which is a symbol of civilization and culture. Dance club of SNSCT has been a gathering place for students to learn, create, enjoy and appreciate the art. It is a unique mind simulator. The SNS DANCE CLUB "NATASH" was attached with "Association for Fine Arts" from the academic year 2010-2011 onwards. Besides their glittering performance inside the campus, the students of the club are performing well in the Inter college competitions and brought many prizes and laurels to the Institution.

ACT ON A DREAM CLUB (AOD)

OPEN SATURDAY CONCEPT

Every third Saturday is an open Saturday. The students of II, III, IV year make use of this Saturday to take part in various club activities under 'Act on a Dream'.

SNS College of Technology stands as a pioneer in the field of visionary thinking. AOD (Act on a Dream) is a platform for every single budding engineer of SNSCT. AOD comprises four main councils which emphasizes on both technical and non-technical excellence. Founded in February 2014, AOD is the largest student club at SNS College of Technology. Open Saturday Concept was designed and implemented, where the club members fight the obstacles to their dreams on a daily basis.

SCHOLARS ON A CAUSE:

Scholars on a Cause, brings together all the intellects and provides them the ambience to sharpen their axes to cut through the competitive exams.

- ❖ UPSC/TNPSC
- ❖ Banking
- ❖ GATE
- ❖ GRE
- ❖ CAT
- ❖ IES/TANCET
- ❖ Foreign language

Random Acts of Kindness:

It is a centre of activity to teach people the art of sharing through:

- ❖ Green Campus
- ❖ Acts of Charity
- ❖ Awareness Campaign

MODEL UNITED NATION

Model United Nations is a simulation of the United Nations Organization. Students from various streams of study participate in this conference as delegates representing various countries and discuss global political, economic and social issues. SNS College of Technology has the pride and privilege of being the second college in Coimbatore to have its very own MUN.
